

# BARCADE NEW YORK EVENT PACKAGE

BROOKLYN | JERSEY CITY | FISHTOWN | NYC | ST. MARK'S | NEW HAVEN | NEWARK | LOS ANGELES  
COMING SOON | DETROIT AND PHILLY CENTER CITY!

**BARCADE NEW YORK** is located at 148 West 24th Street, in the trendy Manhattan neighborhood of Chelsea. Housed in the ground floor of a 100-year-old commercial building that provides 4,000-plus square feet of floor space, Barcade New York is the largest of the seven current Barcade locations. Located in between Madison Square Park, Union Square, and the High Line, the Chelsea location is very popular with both lunchtime and after-work crowds, as well as companies hosting work events.

Barcade features a combination of classic arcade games and craft beers handpicked from local craft breweries. Barcade has eight locations throughout the northeastern United States. With two new locations in Midtown Detroit and Center City Philadelphia opening in 2020.

Twenty-five beers are available on draft and cask at each location, and all are chosen exclusively from top American craft breweries. The selection leans towards local breweries from the northeast, including Brooklyn Brewery, Sixpoint Brewery, Cape Ann Brewing, Dogfish Head, Victory Brewing and Captain Lawrence Brewing.

Like the beer selection, the classic video games at each location are handpicked as well. Some examples of the arcade games you'll find at Barcade include: Tapper, Q\*bert, Donkey Kong, Tetris, Daytona USA, Tron, Teenage Mutant Ninja Turtles, X-Men, Marvel vs. Capcom and Mortal Kombat.

The original Barcade opened in 2004 in a former metal shop at 388 Union Avenue in the Williamsburg neighborhood of Brooklyn. All locations are owned and operated by the founders and each is infused with the same gritty, authentic spirit that made the original such a hit with local artists, musicians, and key influencers.
